Notes from Mr. Larson:

Best wishes for a happy, safe, and healthy 2009!

Each fourth and fifth grade student participates in the classroom Geography Bee. The top two finishers in each class will participate in the School Geography Bee on Tuesday, January 13, at 1:30 in the Buchanan Gym. The first place finisher then takes a qualifying test to determine if he/she will advance to the State Geography Bee.

The collections our school made to the food pantry was outstanding. We donated 370 items! Way to go!

Students need to dress for winter. We will go outside for recess when possible. Recess will be modified or canceled when the air temperature is 0 or less and/or when the wind chill is -10 or below.

Wednesday, January 28, students will be dismissed at 12:30 for staff in-service.

Have a great 2009!
