PHILOSOPHY OF EDUCATION

PREAMBLE:

Recognizing that the future of America depends upon an informed and educated citizenry; and acknowledging that it is the responsibility of the public schools to provide the opportunity to acquire knowledge, to inspire learning, and to foster personal responsibility in the young people entrusted to them, the Pierre Board of Education sets forth the following statement of philosophy.

STATEMENT OF PHILOSOPHY:

It is the intent of the Pierre Board of Education that each student who attends the Pierre Schools be encouraged to develop his or her academic and social potential to its fullest.

Furthermore, it is the intent of the Pierre Board of Education that students in the Pierre School District be afforded the opportunity to acquire and develop intellectual and physical skills and aesthetic appreciation, under conditions which stimulate ethical choices, responsible citizenship, effective leadership, and respect for the rights and freedoms of others.

In striving to attain these goals, the Pierre Board of Education acknowledges the obligation to seek and maintain (a) academic and social participation of students regardless of race, sex, creed or economic background; and (b) open lines of communication among students, parents, teachers, administrators, and counselors for effective understanding and guidance of students within the Pierre School District.

ACCREDITATION

The Pierre School District #32-2 is accredited by the South Dakota Division of Elementary and Secondary Education. Each individual school is also accredited through the NCA school improvement process.

SCHOOL HOURS

All students - Kindergarten through Grade 5:
8:05 (tardy bell) 2:55 (dismissal)

(Teacher supervision of the playground will begin at 7:50 am. Parents are requested not to send students to school before this time.)

ATTENDANCE

The importance of regular attendance cannot be overemphasized! A child should be in school every day that he/she is physically able. The law requires that a child shall attend school regularly during the entire school year. If a student is frequently absent for other than health reasons, appropriate authorities

will be notified. No child can be expected to successfully do his/her classroom work if attendance is irregular. Excessive absences may contribute toward a child's failure to progress satisfactorily in school. Students must attend at least one hour per session (AM/PM) to be counted as present.

ABSENCES AND EXCUSES: If a child is absent, the parents are requested to notify the school immediately. If a parent feels that it is necessary for a child to be absent for a reason other than illness, arrangements should be made with the teacher/principal in advance.

The student should assume the responsibility for making up all the work missed during the absence. If no phone call is made, then **the student must present a written excuse signed by the parent** at his/her first appearance following any absence. Students will not be excused from class for a part of the day without notification from a parent.

TARDINESS: All children are expected to be on time and parents are asked to cooperate fully in this matter. Tardiness is defined as failure to be in the assigned room at the time of the tardy bell.

BICYCLES

Bicycles, roller blades, scooters, skateboards, etc., are not to be ridden on the school premises because of the danger to other students in a crowded area. Failure to follow appropriate safety rules may result in loss of privileges. Bikes, scooters and skateboards are to be parked in appropriate places. School personnel will not be responsible for bicycles lost or damaged at school.

CHANGE OF ADDRESS

All address and telephone number changes **MUST** be reported immediately to the school office. The changes are needed in case of emergencies or child's illness. All information is kept confidential.

COUNSELING

A fully certified elementary guidance counselor at each building serves students in grades K-5. Guidance activities are conducted in each classroom. These activities include topics such as self-esteem, self-understanding, understanding, accepting and encouraging others, decision making, coping skills, goal setting and career awareness activities.

EMERGENCY & SECURITY DRILLS

Plans and procedures have been developed and will be followed in the event of fire, severe weather and

other emergency situations. Drills to practice safety procedures are held on a regular basis.

INCLEMENT WEATHER

In the event of inclement weather or other conditions which make it impossible or inadvisable to conduct school, an announcement will be made on the early morning news broadcast of local radio stations. Parents are requested to use their own judgment if they feel that conditions are too severe to send small children to school or to have children walk home from school. Please notify the school if you are keeping your child home because of bad weather.

INSURANCE

ACCIDENT: For those who wish to take advantage of it, an accident insurance policy is available at a moderate cost. This is offered through a private insurance company which has no connection with the Pierre School System. Details will be furnished at the beginning of the school year.

DENTAL: For those who wish to take advantage of it, a dental insurance policy is offered through a private insurance company which has no connection with the Pierre School System. Details will be furnished at the beginning of the school year.

INTERNET USE

All students and parents are required to sign a Pierre Schools Internet Acceptable Use Policy.

KEEPING CHILDREN AFTER SCHOOL

Teachers may occasionally give special help to children after school. The students will be kept no longer than 3:30 P.M. unless a call is made to the parents.

LEAVING THE SCHOOL GROUND

When a student reports to school, he/she is not permitted to leave the grounds without permission, except at the regular dismissal time. If for some reason the child is needed earlier, a written request should be sent by the parent. If the student stays for lunch, he/she may not leave the grounds without permission.

MILK PROGRAM

Children may purchase a 20 punch milk ticket, quarter pass, or school year pass for the classroom. Children can purchase milk with a sack lunch. There will be **no refund** on unused milk tickets or passes at the end of the year.

MONEY AND VALUABLES

Children are discouraged from bringing large sums of money or valuables to school. Money for lunch or milk should be put in an envelope and labeled with the child's name and teacher.

NOON LUNCH

Children have three options during the noon break: a) they may purchase the school lunch; b) bring their lunch from home, and if they wish, purchase milk to supplement it; or c) may go home for their lunch.

Lunch money should be forwarded to the school office or online payments can be made through EZ School Pay website. Account balances are not refunded, but are carried over to the next school year.

Free and reduced price lunches will be offered for those who qualify. Information on these will be sent home with each child, and will be available in the office.

Children eating lunch at school **will not be permitted** to leave the school grounds during noon hour without written permission from the parents.

SCHOOL LUNCH CHARGING POLICY

Elementary students will be allowed to charge the value of up to 5 lunch meals to their account except for the last two weeks of school when no charging is allowed. After the student reaches a negative balance equivalent to 5 lunch meals, the student will not be allowed to eat school lunch and will need to bring a lunch from home until the balance is paid. No alternate meal will be offered. Once a student has \$10.00 remaining in his or her account, a low balance notification will be sent home with the student. This low balance notification will continue to be sent home until the account is more than \$10.00 positive. Parents also may sign up to receive electronic notification of low balances via the online school lunch payment system.

Parents wishing to join their children for lunch at school should call the school office by 8:45 A.M. to order lunch.

Students CANNOT bring pop (soda) to the lunchroom. (Pop is sometimes permitted for parties or special meals in the classroom.)

PARENT/TEACHER CONFERENCES

Parents of students of the Pierre School District are invited to come to school for fall and spring parent/teacher conferences on the progress of their

children. **On regular conference days, the students will not have school.**

PARENT CONCERNS

If a parent has a concern regarding a situation with his/her child in school, the parent is encouraged to follow these steps:

- a. Child's teacher should be contacted to discuss the concern or question.
- b. Schedule a conference with the principal or school counselor.
- c. If the parent still feels the problem has not been resolved, he/she may contact the superintendent of schools.

PARENT GROUPS

Parent groups (PTA, PTO, etc.) actively work to bring together more closely the home and the school. Parents are encouraged to attend, take an active part and participate in the meetings of these organizations.

PARTY INVITATIONS

NO party invitations are to be handed out at school unless every child in that classroom receives an invitation. Addresses and phone numbers will not be released by the office.

PICTURE PUBLICATION

Signed parent permission is required to publish any pictures of students in the newsletter, school website or other public publications.

PLAYGROUND

Teacher supervision of the playground will begin at 7:50 AM. **Parents are requested not to send students to school before this time.** Students should not bring personal items (toys, games, balls) to school for play purposes. All tackling games or games involving hard body contact are prohibited on the playground. Throwing snowballs on school grounds is dangerous and will not be allowed.

REPORTING TO PARENTS

Report cards will be sent home with the children after the end of each quarter. It is recommended that the parents carefully go over the report card with children, giving encouragement where needed and praise where deserved.

SCHOOL PICTURES

A professional photographer will take individual pictures of students enrolled in the Pierre School District. Complete information on the packages will

be sent home with the children prior to the school picture dates. The packages will be sold on a **prepay** basis. The student will be required to bring the payment on or before the day that the pictures are taken. "Retake" policy is at the discretion of the photographer.

SCHOOL PROPERTY

The child should develop a sense of responsibility and respect for public property. Any damage to school property may be charged to the student causing the damage. Children should take special care of their textbooks. Report cards will be held at the discretion of the building principal due to unpaid fines.

SCHOOL SUPPLIES

Each school has a supply list by grade level. The teachers may request additional materials during the year.

SEASON ACTIVITY TICKETS

A season ticket for all home high school basketball, football, gymnastics, volleyball, wrestling, music and plays is may be purchased for elementary students in grades 1-5. Parents are encouraged to have their child sit with them at such events so that the child remains under the direct supervision of the parent. Students are reminded that their attendance at high school activities depends on conduct and their ability to handle their independence when not sitting with a parent.

Students should:

1. Attend with parents or sit in specified section for elementary students.
2. Show respect for others who are trying to watch the game/activity.
3. Reserve visits to the concession stand to between games or at half time.
4. Refrain from running around behind the stands or in the halls.
5. Show proper respect for the flag and national anthem.

Tickets can be revoked or canceled for misbehavior at games and/or events.

STUDENT HEALTH

HEALTH SERVICES: Periodically the school nurses do eye screening, general health checks and scoliosis screening. Parents are contacted about any concerns or recommendations for professional medical follow-up. Height and weight measurements are done annually for each child.

HEALTH SAFEGUARDS: Immunizations are required by state law. To protect the health of all children and to check contagion, the cooperation of all parents is requested. If the child has a contagious disease, please inform the school office as soon as possible. Parents are urged to keep the child at home if there are indications of illness. Students who have a fever or serious sore throat will be sent home until fully recovered.

In case of an accident at school, emergency first aid will be administered and parents will be notified. The school must have the telephone number or places of employment of parents who are employed outside the home so parents can be notified if a child is ill. If parents cannot be contacted, the emergency person listed on the enrollment card will be called.

If there is special information concerning the health of the child such as a heart condition, diabetes, asthma, etc. the office and teacher should be informed. An explanation should be in writing and delivered to the office. If in doubt, call the school nurse.

MEDICATIONS: The presence of medicines on school property and/or taking of medicine by students during school hours must be carefully monitored to prevent harmful situations to students. Whenever possible, students are encouraged to receive medicines outside of school hours. In cases where medicine must be taken during the student's time at school, the following procedures are to be followed: 1) All medicines must be brought to the administrative offices of the school and placed in the custody of the principal or his/her designee. 2) Prescription medicine is to be stored in a locked cabinet or storage area. 3) Any medication to be administered to a student during school hours must be ordered by a physician. The form must be completed and signed and dated by a physician and parent. 4) All medications must accompany an Authorization for Medication Form. 5) The prescription medication to be administered or stored must be in a pharmacist's labeled container specifying the student's name, date of prescription, directions for use and prescribing physician's name. 6) A record of all prescribed medications given to all students must be kept. These will be retained for one year and then destroyed. 7) Unused medication must be picked up on or before the last day of school or one (1) week after the last dose is given. Medications not picked up will be destroyed. ***Students in grades K-5 MAY NOT self-administer any medication (over the counter or prescription).***

HEARING SCREENINGS: Hearing screenings are conducted for all kindergarten, first, third, and sixth graders during the year. Other students are screened following parent or staff referral. Those students in need of diagnostic hearing evaluation are

referred with parent permission by the speech/language staff to a professional audiologist. The Pierre School District conducts audiology clinics at school each month during the school term.

STUDENT DRESS

Students should dress appropriately for the school and learning environment. Clothing displaying crude messages, disrespectful language, or reference to gang identification is considered inappropriate at school. Short or tight shorts, halter or tank tops which are suggestive or too revealing would not be considered appropriate for school. Shoes are to be worn in school and should be appropriate for playing and running during recess or physical education classes. Parent cooperation is appreciated to ensure that student dress is appropriate, safe and suitable for all school activities.

SCHOOL VISITATION

Parents are encouraged to visit their child's classroom. Visitors who wish to confer with a teacher are asked to arrange for an appointment at a time outside regular class hours. **All visitors are asked to report to the principal's office before going to the classroom.**

TELEPHONE CALLS, MESSAGES, AND CELL PHONES

Students will not be called from class to answer the telephone except in cases of emergency. The office telephone should not be used by students for inconsequential matters including making arrangements for after school activity. Cellular phones and pagers are not allowed in school. If it is necessary for the student to bring a cell phone to school, it is to be turned off and kept in a location determined by the classroom teacher and/or building principal. Cell phones that are used during class/school time will be taken away.

WITHDRAWAL FROM SCHOOL

If a student is moving to a new school attendance area, the teacher and office should be notified as soon as possible so that transfer records can be prepared and the child's supplies collected for transfer. A "release of records" form should be signed by the parent or guardian before the child transfers so the records may be transferred to the next school.

Decisions regarding transfers among attendance centers within a district will be based upon policies consistent with resident/non-resident transfers.

It shall be a violation of this policy for any student or any school personnel of the School District to harass a student, any school personnel, or any visitor through conduct or communication of a sexual nature or communication disparaging a person's race, color, religion, creed, ancestry, national origin, gender, sexual orientation, disability, or age. For the purpose of this policy, "school personnel" includes School Board members, all school employees and agents, volunteers, contractors, or persons subject to the supervision and control of the School District. This policy applies on all School District property and to all School District sponsored, approved, or related activities at any location.

2. to the superintendent, and
3. to the School Board.

LEVEL 1. A student/parent should schedule an informal meeting with the building principal to discuss the grievance or may formally present the grievance in writing to the building principal. It is expected that many grievances may be resolved at this level.

LEVEL 2. If a student/parent is not satisfied with the resolution made at level one (1), he/she may appeal to the superintendent.

LEVEL 3. Complaints that remain unresolved following any action of the superintendent might be referred in writing to the School Board for review. The Board's decision will be final.

A parent, student, employee, or district stakeholder who has a complaint regarding the use of federal NCLB funds and is unable to solve the issue, may address the complaint in writing to the district's superintendent. Disputes addressing the enrollment, transportation and other barriers to the education of children and youth experiencing homelessness are also addressed under this procedure. A copy of the

complaint policy is available in all district school and administrative offices.
