

Pierre School Board Goals

2021-2022

- ***District Wellness*** – Promote positive mental and physical wellness for all students and staff. Identify and utilize resources available to support and increase student potential for success.
- ***Teaching & Learning*** – Encourage and support staff to incorporate a culture that addresses continuous improvement, curriculum impact and a growth mindset that fosters engagement and maximizes opportunities for success for ALL students.
- ***School Safety*** – Ensure a safe environment for District students, staff, and visitors; establish high expectations for student conduct, responsible behavior, and respect for others; and be prepared to effectively respond to all emergencies.
- ***Student Persistence*** – Identify innovative avenues to ensure, increase, and recognize the academic and extra-curricular advancements and progressions of all students due to their persistence.
- ***Community Engagement*** – Strengthen community engagement and parent support to enhance relationships between parents, families, school, and the community.

Mission Statement: “To Cooperatively Inspire All Students to Achieve Their Potential”
