

Pierre School Board Goals

2022-2023

- ***District Wellness:*** Utilize resources to promote and support opportunities for positive mental and physical wellness for all students and staff.
- ***Teaching & Learning:*** Incorporate a “growth mindset” culture that promotes continuous improvement by engaging all students and enhancing opportunities for their success.
- ***School Safety:*** Provide a safe environment for students, staff and visitors with effective emergency response protocols. Establish a climate that holds high expectations for student conduct and their behavior towards others.
- ***Student Persistence:*** Pursue and support innovative pathways to success for all students. Promote and reinforce that the potential for academic and extra-curricular success is due to their efforts and persistence.
- ***Community Engagement:*** Encourage and strengthen opportunities for parent and community partnerships and enhance relationships that support efforts to address our district mission.
- ***Recruitment & Retention:*** Expand efforts to attract, secure and engage high quality, dedicated educators. Create feasible methods to retain and support effective and productive members of our educational team.

MISSION STATEMENT:

“To Cooperatively Inspire All Students to Achieve Their Potential”
